These are manuals, which are official U.S. Army publications concerning enemy equipment or forces. The letter E in the manual number indicates that a particular manual is an enemy manual. For example, Technical Manual TM E9-803 on the German Volkswagen appears just after Technical Manual TM 9-803 on the Jeep.

published by the United States Army's Army Publishing Directorate. As of 27 July 2007, some 542 field manuals were in use. They contain detailed information and how-tos for procedures important to soldiers serving in the field. Starting in 2010, the US Army began review and revision of all of its doctrinal publications, under the initiative "Doctrine 2015".
